The person(s) supplying the above information certifies to both potential lessors identified above that it is true and correct. The Owners/Partners/Guarantors recognize that their individual credit histories may be a factor in the evaluation of the lease applicant and, thus, authorize the lessor(s) or its assignee or its designee to investigate their personal credit status. This includes obtaining and using their consumer credit reports from time to time in the credit evaluation and collection processes, as well as to offer future credit products or services.
